MALCA-AMIT

MALCA-AMIT PRECIOUS METALS (MAPM)

provides comprehensive and competitive solutions for corporations and individuals looking to purchase, transport and store precious metals.
MAPM safeguards your investment every step of the way -
from purchase to storage at Malca-Amit's state-of-the-art secured facility in the Singapore Freeport.
Malca-Amit is a neutral and independent service provider with no linkage to financial markets.

PRECIOUS METALS PROCUREMENT

Malca-Amit sources and ships your precious metals requirements from the refinery door to our vault at the Singapore Freeport.

At purchase you receive a 'Certificate of Ownership' indicating:

- Refinery of Purchase
- Bar Number
- Purity
- Weight

Your purchase has exclusive allocation and is identifiable by a unique unit reference. It is not part of a 'pool'.

STORAGE/VAULT

Security is paramount. Cutting-edge technology and physical surveillance systems guarantee unparalleled security for your precious assets. From our 24-hour electronic facility monitoring bolstered with armed auxiliary police officers and a sophisticated invisible laser sensor network surrounding the facility, to biometric identification methods and an infra-red motion detection security system, every effort is employed to ensure uncompromised security at all times.

BESPOKE & SPECIAL OPERATIONS

Malca-Amit stands at the forefront of secure logistics, precious assets and secured special events innovation. Our international team of logistics, security, custom brokers and special operations experts are on hand to ensure a smooth, expedient and professional service tailored to your exact requirements. Our dedication to customer excellence ensures each solution is tailor-made to your exacting demands.

From secured door-to-door delivery, bonded warehousing, customs brokerage service, special operations, guarding and more,
Malca-Amit has the breadth of service for all those dealing
in precious commodities.
